

To-Do List with Checkboxes

New Tasks

Magasin

- ☐ Confirm composants button don't work.

DI List

- ☐ In pricing, get the time of diagnostic.
- ☐ Negociation 1 & 2: Fix issue where PDFs cannot be viewed.

Retour Errors

- ☐ In pricing, ensure we're getting the retour price of components.
- ☐ In tech réparation retour, fetch information from retour and initial data.
- ☐ Add pop-up confirmation for actions: 'Relancer' and 'Retour.'
- ☐ Cannot send DI to diagnostique "duplicate error."

Tech List

- ☐ Fix issue where the first component becomes undefined.
- ☐ Ensure finished DIs are not shown in the tech list.
- ☐ Correct the status shown for tech when a DI is in 'DiagnostiquePause.'
- ☐ Ensure the number of composants is > 0.
- ☐ If "contain pdr" == false, remove the array of composants.

Old Tasks

DI List

- ☐ When DI is finished, and affecting the Bon de commande and Bon de livraison, add two buttons to display the other two files.

Negociation 1

- ☐ Add only the Consulter button.

Dashboard

- ☐ Finalize the PDF document (almost complete).

Last Update (from Walid)

- ☐ Add condition to files.
- ☐ Add a button for errors (Fixtronix or client).
- ☐ Add a button for direct réparation.
- ☐ Introduce a new status.
